## 25,000 MAJORITY FOR ROOSEVELT IN OHIO

President Taft Defeated in His Own State. Gets 10 Delegates

Columbus, O., May 22.—According to the nearly complete returns from Tuesday's presidential preferential primary Roosevelt has carried the President's home state by a majority of 25,000, and secured thirty-two district delegates to ten for Taft. Six delegates from the state at large are claimed for Taft on the grounds that a Taft majority has been elected to the state convention. The other side does not concede this claim however, and it is practically certain that the Taft-Roosevelt fight will be carried on to the floor of the state convention.

Both Taft and Roosevelt seems to be confident and each claims to have enough votes in sight to capture the nomination at Chicago.

## J. B. Frazier Will Run For Governor

Announcement Comes After an All-Day Conference.

Chattanooga, Tenn., May 23.—Ex-Senator James B. Frazier tonight decided, after most urgent persuasion, that he would announce his willingness to become a candidate for the Democratic nomination for the governorship of Tennessee. The decision of Senator Frazier came at the end of a day of conferences in which friends from all over the state had participated and pressed him to accept the nomination. It was not until late tonight that he finally consented. Mr. Frazier then capitulated. Sen. Frazier's friends expressed the hope that other candidates would withdraw and leave him a clear field in the interests of harmony. Mr. Lytle of Murfreesboro has done so, but Messrs. Tyne, Faulkner, Neal and Crabtree have announced their intention to stay in the race, and several new entries are possible.

## Richeson Paid the Death Penalty

Boston, May 20.—Clarence V. T. Richeson was electrocuted at 12:17 this morning.

The current was turned on at 12:10, and the prisoner was pronounced dead at 12:17.

The former Baptist clergyman, who confessed poisoning Avis Linnell, of Hyannis, his sweetheart, was outwardly calm when he entered the death chamber and he maintained his composure while the straps and electrodes were being adjusted as he sat in the electric chair.

C. H. Mooney is in Michigan with his family and will probably not return for some time. We sincerely hope that his stay will not be permanent as we cannot afford to lose such citizens as he is.

## Man Who Stood Still Dies.

Quaint Character Never Left Aurora, Illinois.

Aurora, Ill.—The death of D. W. Stockwell of this city at Hawarden, Canada, marked the passing of one of the quaintest characters in Illinois.

He was known as "the man who stood still." As owner of one of the biggest stores in Northern Illinois, outside of Chicago, during the Civil War he prospered. After the War he failed to keep abreast of the times and the same goods which he carried then still adorn the shelves and show windows of his store.

Five years after the War he was still making a profit. In ten years more the place was a curiosity shop and has continued so. The hoop skirt, barber striped hose, jet jewelry and like antiquities continued a part of his stock.

In later years he was the only one who entered the place except visitors to the city. He did no advertising. He had about \$10,000 worth of goods and settled down to wait for customers that never came. He was at business at 7 o'clock each morning and remained until 6 o'clock in the evening. He was 77 years old.

Fix up a hill or so of beans, and with ye editor divide the means. Pay up your subscription, then plant your corn, and you'll raise a good crop as sure as you're born.—Greenville Sun.

## The Demons Of The Swamp.

are mosquitoes. As they sting they put deadly malaria germs in the blood. Then follow the icy chills and the fires of fever. The appetite goes and the strength fails; also malaria often paves the way for deadly typhoid. But Electric Bitters kill and cast out the malaria germs from the blood; give you a fine appetite and renew your strength. "After long suffering," wrote Wm. Fretwell, of Lucama, N. C., "three bottles drove all the malaria from my system, and I've had good health ever since." Beat for all stomach, liver and kidney ills. 50 cents at Crowder Bros. & Beckham.

## Home Endorsement

Hundreds of Lawrenceburg Citizens Can Tell You All About It.

Home endorsement, the public expression of Lawrenceburg people should be evidence beyond dispute for every Lawrenceburg reader. Surely the experience of friends and neighbors, cheerfully given by them, will carry more weight than the utterances of strangers residing in a faraway place. Read the following:

J. W. Griswell, lawyer, Fall River Road, Lawrenceburg, Tenn., says: "I found Doan's Kidney Pills to be a splendid kidney medicine and in 1908, I publicly recommended them. I now take pleasure in confirming that statement. Backache and pains through my kidneys bothered me and in the morning, I arose feeling all worn out. My kidneys did not act as they should and nothing helped me until I procured Doan's Kidney Pills at Crowder Bros. & Beckham's Drug Store. They soon made me well. Another member of my family also took Doan's Kidney Pills for similar trouble and was given great relief."
